## 1.6 Travel expenses

Charge rate for car per km

1,10 € / km

Train costs and airfare will be charged amounting to the upcoming costs.

## 2.0 **Concluding conditions**

2.1 In case of an increase of costs before the installation, maintenance, repair or montage reserve the right to adjust our prices.

2.2 The local court of our company is responsible for all disputes arising from the contractual relation. This applies for merchants who have been entered as such in the commercial register, legal entity of the public right or special fund under public law. We can also repeal to the court responsible for the client.
